

# 2019 Tennessee WIT Rally

October 17-20, 2019

**J.E. WARD AG CENTER, LEBANON, TN**

## TENNESSEE MUSIC

**Registration forms and rally fees will be published on a later date.**

**Pre & Post rally fees for Ag center camping are \$20.00 per night.**

Come, join and enjoy the **Fall** colors at the Tennessee State Rally, just a few miles from Nashville's Music City. Tennessee is noted for the birthplace of **Bluegrass** in East TN, Home of **Country Music** in Central TN, and the Birthplace of **Rock-N-Roll (Elvis)** and the **Blues (Beale St.)** in West TN.

Check in early to visit area attractions and attend pre-rally tours to the **Cracker Barrel Warehouse Décor Center**, the **Nissan Automobile Plant**, and other local attractions. Other activities will include free **Drivers Training** in a Motor Home, various individual and team games, live evening entertainment, auction, workshops, vendors, cake walk and more. If enough interest, we will schedule a pre-rally golf outing.

We will start off Thursday evening with **Tennessee Hospitality Food table** and followed by catered meals on Friday and Saturday. I hear some **line dancing** and some new RV recommended cooking methods may be offered. As always, our mascot "**Davy Crockett**" will be hanging around the rally.
