

West Tennessee Travelers WIT Club

Salt Lick Creek Campground
Carthage, TN
August 17-19, 2018

The West Tennessee Travelers held their August campout at Salt Lick Creek campground near Carthage, Tn. This was a combined campout with all three chapters of the Vol State Winnies. West Tennessee Travelers joined the Music City Winnies, the Rocky Top Travelers and the Vol State Winnies to celebrate MCW's 44th anniversary as a chapter of VSW. All but one unit arrived Thursday and got set up before the evening rains came in. Those who desired drove to nearby Defeated Creek campground complex for dinner and to enjoy the multitude of deer that roamed the area.

Friday dawned bright and clear. Games were set up at the pavilion which kept everyone occupied throughout the morning and early afternoon.

Our dinner out was at Giavonnies Italian and Pizza restaurant. Twenty-four members enjoyed delicious spaghetti, lasagna and pizza with enough leftovers for lunch on Saturday.

West Tennessee Travelers WIT Club

Saturday was meeting day with VSW president, Ralph Wiggers, presenting a rundown of the events that transpired at GNR. Afterwards, the chapters gathered for their individual meetings. Dinner was pot luck with grills provided for those who wanted to grill their own chicken, steak, rollers or sliders. Cake and homemade ice cream topped the dessert menu in honor of MCW's 44th anniversary as a chapter of VSW.

Although it rained each night of the outing, the daytime weather was outstanding-comfortably cool with a light breeze, not what we expected for August camping.

Of course, Sunday marked another traveling day so we all had to say our goodbyes and head home.
