

Our Winnies fall campout will be at the Ward Agricultural Center in Lebanon TN from **Wednesday, October 16 to Sunday, October 20**. We may invite friends to the campout who do not own a Winnebago product.

The Nissan Smyrna Vehicle Assembly Plant tour is scheduled for Thursday, October 17 at 1:00 pm. If you plan on attending the campout and plant tour you will need to check in at the Ward Ag Center on Wednesday. You may make reservations for a campsite at the Ag Center with Joe Moore at [volstatemoney@gmail.com](mailto:volstatemoney@gmail.com). The cost for campsites is \$20.00 per night which includes electric and water and is payable to Joe Moore at the campout. There is a dump station and restrooms near the camping area.

I am looking for volunteers to facilitate seminars and craft time plus suggestions for outings or activities. If you can help please let me know.

The General Jackson cruise, lunch and country music show is \$75.00 per person with boarding at 11:15 am located next to Opry Mills. The music is professional and very entertaining. If you are interested in this outing, please let me know.
