Pre & Post rally fees for Ag center camping are \$20.00 per night.

Come, join and enjoy the **Fall** colors at the Tennessee State Rally, just a few miles from Nashville's Music City. Tennessee is noted for the birthplace of **Bluegrass** in East TN, Home of **Country Music** in Central TN, and the Birthplace of **Rock-N-Roll (Elvis)** and the **Blues (Beale St.)** in West TN.

Check in early to visit area attractions and attend pre-rally tours to the **Cracker Barrel Warehouse Décor Center**, the **Nissan Automobile Plant**, **Redneck Comedy Bus Tour** and other local attractions. Other activities will include free **Drivers Training** in a Motor Home, various individual and team games, live evening entertainment, auction, workshops, vendors, cake walk and more. If enough interest, we will schedule a pre-rally golf outing.

We will start off Thursday evening with **Tennessee Hospitality Food table** and followed by catered meals on Friday and Saturday followed by entertainment. Workshops will include **line dancing, CPR/defibrillator training** and some new RV recommended cooking methods. Others are being planned. As always, our mascot "**Davy Crockett**" will be hanging around the rally. All Winnebago/Itasca, Country Coach and Sunny Brook RV units are invited.
