March 23, 2020

Greetings Rocky Top Travelers,

Hope all of you practicing “social isolation” as this Coronavirus makes its way across our country. As a result of this “pandemic” the camping season is being affected. The Board of our state clubs has been corresponding in order to make some decisions about the **Vol State outing scheduled for April 23-26**. It has been decided that this outing will be **cancelled**. “It is the intent of your Board not to put our members in harm’s way in this rapidly changing environment. Hopefully, we will be able to see many of us at GNR in July and then in Lebanon for our October outing.”

The hosts of the **May campout in Chattanooga** have **cancelled** their outing also. No other decisions have been made, at this time, for the other scheduled campouts and GNR. When I have further information, I will let you know.

Let’s keep our spirits up, and hope for the best. Our prayers are needed for all health-care staff, hospitals, and doctors as they courageously work to contain this pandemic. We send prayers to all our club’s members, especially to Corrie Butler as she battles her continuing health issues.

Everyone stay safe and healthy! Be like the 2<sup>nd</sup> little piggy who “stayed home!”

Dave McKitrick, President, RTT
