VSW NEWSLETTER OCTOBER 2020

Here we are at our October meeting/gathering to finish year 2020. Ten units consisting of 20 members met and enjoyed the excellent weather for an outing.

On Wednesday, early arrivals started preparing the parking spaces and greeting other members as they arrived. As evening approached, we gathered together in a social distanced circle for happy hour and greeted all old friends and new members. Ralph gave a brief review of the scheduled events for the next day. Thursday was a busy day as we opened the building and made preparations for the various activities. . At 4:00 pm we gathered around our imaginary fire pit for another happy hour to discuss Friday's schedule.

Friday started with breakfast croissants provided by Stan Schwenke from SkyMed. Afterwards, he gave a very interesting presentation on the benefits of their Emergency Air Transportation Member Service. I know he has given this presentation to us at other rallies but we had new members who were not aware of these services. At 10:30 am, most of us gathered for a tech talk. Many topics were discussed and questions answered concerning RV problems. Our new members as well as us old timers learned something new. Final arrangements were made for transportation to the Lane Motor Museum on Saturday. Dinner was on our own or with friends. We spent the evening in the building playing Mexican Train and learning new card games.

Saturday started with continental breakfast consisting of individually wrapped muffins, danish rolls, hard boiled eggs, mandarin oranges and orange juice. The items were served by volunteers wearing gloves and masks. After breakfast, several members departed for the tour led by Cliff Klein. After lunch on our own, President Ralph Wiggers held a discussion on the 2021 GNR and our October 2021 Rally. Further discussion and plans for these will be held at our April 2021 meeting. We are hopeful that Covid-19 will allow these to go forward. Our VSW business meeting was held at 4:00 pm where our new officers for year 2021 were installed. Most of you will remember them as our present officers all volunteered to serve another year.

Dinner consisted of BBQ pork and turkey, cole slaw, baked beans, apple sauce and dessert catered by Whitt's BBQ. Again, dinner was served by masked and gloved volunteers. Hand sanitizer was utilized at head of the line.

Saturday evening was a repeat of Friday with new games and competition.

Sunday morning breakfast was served as before with the remains of our continental breakfasts.

Virginia Wiggers led our Sunday church services and scripture verses read by several members of our congregation.

As usual, travel day arrived all too soon. Safe travel to all.
