September 19-22, 2019

The West Tennessee Travelers held their September campout at Tom Sawyer RV Park, West Memphis, AR. The park is located on the west bank of the Mississippi river with an outstanding view of the river and the constant barge and boat traffic. As usual, some arrived early to enjoy the quiet solitude before the park filled up for the weekend. Due to its strategic location near the junction of two interstates, the park stays near capacity at all times.

Cliff & Kay Klein, Ken & Jeannette Dixon, Mike & Diana Logan and Raoul and Arlene Sanchez arrived early and were the first of our group to enjoy the beautiful view of the river and campground.

We awoke Friday morning to an amazing view of the sunrise over the river. We were fortunate to catch a cool front and were able to enjoy the relatively cool day after a very hot September.

Friday was our pot luck day. Grill Master Greg Shipman produced a superb pork loin on his grill. We spent the next 2 hours stuffing ourselves and visiting as we enjoyed the cool of the afternoon until the bugs drove us indoors.

It was down to business Saturday as we spent the morning planning the remaining two months of this year. We decided to schedule a campout in November at David Crockett State Park on the 18th – 20th. Our Christmas luncheon will be December 11th at 1:00 pm at Mousto's Pasta and Grill in Paris, TN. Thanks to Mark & Pat Bolding for the arrangements.

In addition to finishing our 2019 year, we also completed our 2020 camping schedule. We are branching out a little next year by trying campgrounds new to us and some we haven't been to in some time. A complete 2020 schedule will be emailed to all members.

While some of us enjoyed the beautiful weather at Tom Sawyer CG, a few went to Southland Park to try their luck at the newly renovated casino. Some of us got lucky: Some, not so much.

Since Greg did such a great job on the pork loin, we decided to help him get rid of his leftovers by having a second pot luck instead of dining out. If possible, the second was just as great as the first. A heartfelt thanks are due to Greg and Karen for a fine grilling and hosting.

It was with some sadness that most of us had to return to the real world Sunday. See ya'll next campout.
